

## Bollettino di marzo

2026

Dear Dante friends,

We're looking forward to some real cultural highlights in March.

Firstly, a reminder that for those lucky enough to be in the Nelson area, the Italian Festival is taking place at the beginning of the month.

CineDante continues with a screening of Francesca Comencini's film [Il tempo che ci vuole](#), which explores her memories of her father, iconic director Luigi Comencini. This will be followed by discussion and refreshments.

A very special Colazione features a screening of the new documentary [Che lingua parli?](#), created with students from the University of Auckland. A great opportunity to discover the regional dialects of Italy!

And looking forward to April, enrolments are still open for the Corso Intensivo in Christchurch.

A presto!

The Dante Team
