

Bollettino di aprile

2026

Dear Dante friends,

As we settle into Autumn, the coming months bring lots of opportunities to explore the language and history of Italy.

The Italian Film Festival kicks off on the 28th of April, and a few days earlier, Cinedante gives us a rare chance to see the powerful, prize-winning film *La notte di San Lorenzo*.

Later, in May and June, two fascinating courses explore subjects at the heart of Italian culture: life in the Roman Empire, and Dante's Divine Comedy.

A reminder that membership fees are due this month. There will be no increase to fees this year. More info at the [blog](#), along with the President's report. And the full list of courses for Semester Two is [here](#).

Finally please join us for our Open Day on the 18th April!

A presto -
The Dante Team
