

# Bollettino di settembre

## 2024

Dear Dante friends,

As we welcome the arrival of Spring, there is an array of events to enjoy.

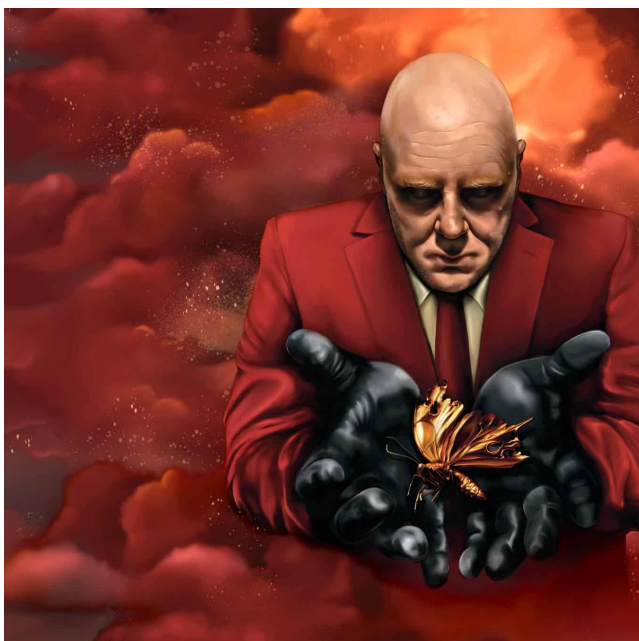

On the musical front, NZ Opera presents Verdi's *Rigoletto*, featuring Amitai Pati, of *Sole Mio* fame, in his debut in the role of the Duke. There are also two concerts by Flavio Villani featuring music by Chopin and others.

If you missed out on seeing any films in the Cinema Italiano festival in May, you have another chance as the festival continues this month in Matakana!

And coming up in October, students from the Creative Writing Workshop led by Barbara Martelli will showcase their work in celebration of the 'Settimana della lingua italiana nel mondo'. Don't miss the [second episode on our blog](#), focused on character development.

A presto!
