

Bollettino di ottobre

2026

Dear Dante friends,

As Term 4 kicks off, October brings one of the highlights of the Dante year:
la Settimana della Lingua Italiana!

On the 19th of October there is a full day of events, hosted by the Italian programme at the University of Auckland in collaboration with the Dante. There will be food, music, quizzes and more, along with a special screening of Italian short films.

Later in the month, a fascinating three-part course begins, exploring the rivalry between two geniuses of the Baroque, Bernini and Borromini, which helped shape the city of Rome.

Finally, please join us for our Open Day, coming up on Wednesday 7 October!

A presto,

The Dante Team
