

Bollettino di maggio

2025

Dear Dante friends,

With the unpredictable weather we've been having, we'll be spending more time indoors - and happily this month there is plenty of Italian culture to enjoy!

The Italian Film Festival continues, with dates through to the 25th of May. See the link opposite for details.

Later in the month, New Zealand Opera presents Puccini's beloved *La Bohème*, with a brand new production by acclaimed director Bruno Ravella.

And in keeping with current events, Cinedante will screen Nanni Moretti's 'Habemus Papam' at the end of the month - a funny and thought-provoking film.

Meanwhile the regular Dante events Cantastorie and Colazione also take place this month - all in all, plenty on offer!

A presto!
